"I am excited to meet new people and trade scarves with others from other countries. I have already traded scarves with a Swedish person."

KENYA EXPEDITION

MEET NATASHA

““I started my Scouting journey as a Cub in 2016 and progressed through the sections. I am currently an Explorer Scout with Phoenix Explorer Unit which has given me this amazing opportunity to participate in the expedition to Kenya. Scouting has changed my life entirely for the better and I couldn’t be more grateful.”

WHY DID NATASHA APPLY?

“I applied to this expedition because I've always wanted to help people, and what better way than to be doing a hands-on job like construction, where we can see the impact we will be making. Another reason was to gain more confidence around new people; as someone who often struggles talking to strangers, I feel this will greatly help me come out of my comfort zone.”

WHAT I’M EXCITED FOR WITH NATASHA

“I'm excited about building classrooms for the children in Kenya and building my confidence in travelling to new places.”

EXPEDITION WORRIES WITH NATASHA

“I am nervous to go on the safari trip and see all the animals.”
